4 **SEC. 101. FINDINGS AND DECLARATIONS.**

5 (a) UNDERMINING OF DEMOCRACY BY CAMPAIGN
6 CONTRIBUTIONS FROM PRIVATE SOURCES.—The Con-
7 gress finds and declares that the current system of pri-
8 vately financed campaigns for election to the House of
9 Representatives has the capacity, and is often perceived
10 by the public, to undermine democracy in the United
11 States by—

12 (1) violating the democratic principle of “one
13 person, one vote” and diminishing the meaning of
14 the right to vote by allowing monied interests to
15 have a disproportionate and unfair influence within
16 the political process;

17 (2) diminishing or giving the appearance of di-
18 minishing a Member of the House of Representa-
19 tives’ accountability to constituents by compelling
20 legislators to be accountable to the major contribu-
21 tors who finance their election campaigns;

22 (3) creating a conflict of interest, perceived or
23 real, by encouraging Members to take money from

1 private interests that are directly affected by Federal
2 legislation;

3 (4) imposing large, unwarranted costs on tax-
4 payers through legislative and regulatory outcomes
5 shaped by unequal access to lawmakers for cam-
6 paign contributors;

7 (5) driving up the cost of election campaigns,
8 making it difficult for qualified candidates without
9 personal fortunes or access to campaign contribu-
10 tions from monied individuals and interest groups to
11 mount competitive House of Representatives election
12 campaigns;

13 (6) disadvantaging challengers, because large
14 campaign contributors tend to give their money to
15 incumbent Members, thus causing House of Rep-
16 resentatives elections to be less competitive; and

17 (7) burdening incumbents with a preoccupation
18 with fundraising and thus decreasing the time avail-
19 able to carry out their public responsibilities.

20 (b) ENHANCEMENT OF DEMOCRACY BY PROVIDING
21 CLEAN MONEY.—Congress finds and declares that provid-
22 ing the option of the replacement of private campaign con-
23 tributions with clean money financing for all primary, run-
24 off, and general elections to the House of Representatives
25 would enhance American democracy by—

1 (1) helping to eliminate access to wealth as a
2 determinant of a citizen's influence within the politi-
3 cal process and to restore meaning to the principle
4 of "one person, one vote";

5 (2) increasing the public's confidence in the ac-
6 countability of Members to the constituents who
7 elect them;

8 (3) eliminating the potentially inherent conflict
9 of interest caused by the private financing of the
10 election campaigns of public officials, thus restoring
11 public confidence in the fairness of the electoral and
12 legislative processes;

13 (4) reversing the escalating cost of elections
14 and saving taxpayers billions of dollars that are (or
15 that are perceived to be) currently misspent due to
16 legislative and regulatory agendas skewed by the in-
17 fluence of contributions;

18 (5) creating a more level playing field for in-
19 cumbents and challengers, creating genuine opportu-
20 nities for all Americans to run for the House of Rep-
21 resentatives, and encouraging more competitive elec-
22 tions; and

23 (6) freeing Members from the constant pre-
24 occupation with raising money, and allowing them
25 more time to carry out their public responsibilities.
